7 Reportable Events or on a list compiled by the Commissioner of Public
8 Health and adopted as regulations pursuant to subsection (d) of this
9 section; and "corrective action plan" means a plan that implements
10 strategies that reduce the risk of similar adverse events occurring in
11 the future, and measures the effectiveness of such strategies by

14 (2) The commissioner shall review the list of adverse events

15 periodically, but not less than annually, to ascertain whether any
16 additions, deletions or modifications to the list are necessary.

17 (b) (1) On and after October 1, 2002, a hospital or outpatient surgical
18 facility shall report adverse events to the Department of Public Health
19 as follows: [(1)] (A) A written report and the status of any corrective
20 steps shall be submitted not later than seven days after the adverse

41 this section. The commissioner may require the use of said form prior
42 to the adoption of said regulations.

43 (d) On or before October first annually, the commissioner shall

61 (g) The Quality of Care Advisory Committee established pursuant
62 to section 19a-127l shall establish methods for informing the public
63 regarding access to the department's consumer and regulatory
